*Shaping Modern Surgical  
Infrastructure*

*ANAY MEDTRADE Promise:  
Credibility isn't a tagline -it's our PROMISE*

*Precision | Trust | Execution | Excellence*

## *ABOUT US*

### **WHO WE ARE**

*Based in Faridabad & Delhi NCR, ANAY MEDTRADE is an institutional surgical and infrastructure solutions partner serving leading healthcare institutions across North India.*

### **WHAT WE SUPPORT**

- Tertiary Care Hospitals & Transplant Programs*
- Multi-Specialty & Advanced Surgical Centers*

### **OUR FOUNDATION**

*Founded by Mehul Grover, ANAY MEDTRADE was built on firsthand insight into hospital challenges — from mismatched instruments to delayed deliveries and inconsistent support.*

*With deep expertise in coordination, procurement, and surgical systems, we ensure hospitals receive dependable solutions that perform seamlessly from day one.*

### **OUR EDGE**

*As a sister company of Dafoddi Surgical, a respected orthopedic implant specialist in Delhi NCR, ANAY MEDTRADE builds on decades of credibility and strong collaborations with leading Indian and international medical brands.*

*We integrate capital equipment and surgical infrastructure into cohesive, high-performance systems.*

### **Engineered for:**

- ✓ *Clinical Accuracy & Sterilization Compliance*
- ✓ *Durable, High-Performance Design*
- ✓ *Seamless Workflow Integration*
- ✓ *Ongoing Lifecycle Support*

*With a consultative approach and close coordination with surgical teams, ANAY MEDTRADE delivers instruments that enhance precision, reduce procedural*

**Partner with ANAY**

## **SPECIALTY SURGICAL INSTRUMENTS**

*High-quality, specialty-specific instruments designed to support confident surgical performance*

*across:*

- *General Surgery*
- *Liver & Kidney Transplants*
- *Neurosurgery*
- *Urology*
- *Advanced Laparoscopic Procedures*

*We facilitate supply of AESCULAP® (B. Braun, Germany) instruments as per hospital procurement requirements, alongside our in-house brand MEDVORA — manufactured in collaboration with trusted OEM partners to ensure consistent quality and performance control.*

## WHY HOSPITALS TRUST ANAY MEDTRADE

*In complex surgical ecosystems, precision and experience are non-negotiable. ANAY MEDTRADE delivers disciplined procurement, seamless biomedical coordination, uncompromised compliance, and execution backed by long-term accountability. We don't build transactions — we build institutions.*

*Supported by the legacy network of Daffodil Surgical, we provide integrated surgical instruments and OT infrastructure aligned with real clinical needs — ensuring safe, efficient, and dependable performance.*

## ASSOCIATED WITH LEADING HEALTHCARE INSTITUTIONS

*Fortis Healthcare  
Metro Hospitals & Heart Institute

- ✓ *Technical Evaluation*
- ✓ *Comparative Analysis*
- ✓ *Budget Alignment*
- ✓ *Installation & Post-Sales Service*

*Backed by the Daffodil Surgical legacy network, we transform capital investments into instruments and*

***Every hospital we serve gains more than products, they gain a partner dedicated to improving operational efficiency, procedural confidence, and patient care.***

## **Founder | ANAY MEDTRADE**

*Building upon the institutional legacy of Daffodil Surgical, Mehul Grover brings deep insight into surgical ecosystems, hospital procurement, and OT infrastructure coordination. Every OT system we install, is built around one simple principle: **execution matters as much as the product itself.***

*With close collaboration across surgeons, transplant teams, biomedical engineers, and administrators, his philosophy is simple:*

## **OUR MISSION**

**EMPOWER HOSPITALS. SAVE LIVES.**

**“The right tools change outcomes. The wrong ones cost lives.”**

### **We operate with:**

*Transparent Commercial Models*

*Procurement Compliance*

*Structured Documentation*
